

Express Mail Label No. EV676909384US
U. S. Patent Application No. 10/810,501
Amendment to Accompany Request for Continued Examination Dated January 27, 2006

Remarks

The present application was allowed in a Notice of Allowance dated October 28, 2005. A Request for Continued Examination is being filed concurrently so that claims can be added.

Also included herewith are amendments to the specification which address minor informalities including an inversion in the description of bars and spaces relative to the description of "undercut" bar code symbols (paragraph 85). The amendments presented herein are appropriate in view of the context of the original disclosure as of the filing date of the earliest priority application. None of the amendments presented herein contain new matter.

Accordingly, in view of the above amendments and remarks, applicants believe all of the claims of the present application to be in condition for allowance and respectfully request reconsideration and passage to allowance of the application.

If the Examiner believes that contact with applicants' attorney would be advantageous toward the disposition of this case, the Examiner is herein requested to call applicants' representative at the phone number listed below.

The Commissioner is hereby authorized to charge any additional fees associated with this communication or credit any overpayment to deposit Account No. 50-0289.
